

Connected Vet

DIGITAL KICK START

A digital marketing start up package for new veterinary practices.

Everything a new veterinary practice needs to excel in online digital marketing at a special price for Vetshare members and with helpful payment terms.

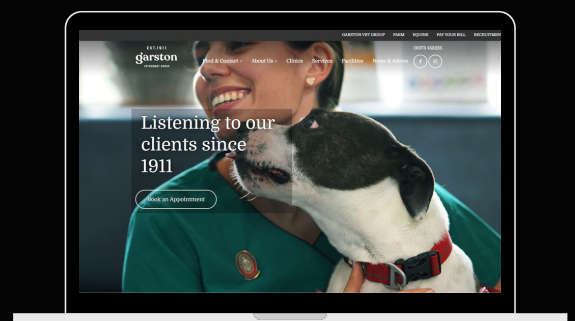

Design & Branding

A branding exercise to give your new practice a great look and feel. [See an example.](#)

Website

A new website to act as a shop window for your new practice including your own photoshoot and all written content. Includes website hosting. [See an example.](#)

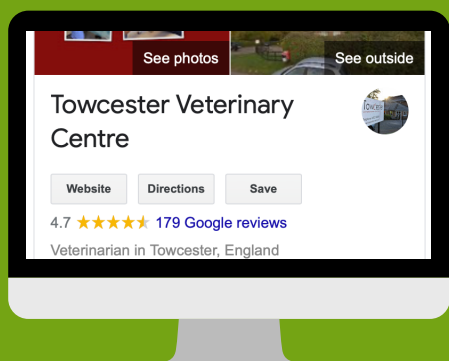

Email & News

Three monthly pet care news stories and a monthly email personalised to your practice and your clients. [See an example.](#)

Social Media

We'll set up your social channels of choice, link them to your website and show you how to make the most of them. [See an example.](#)

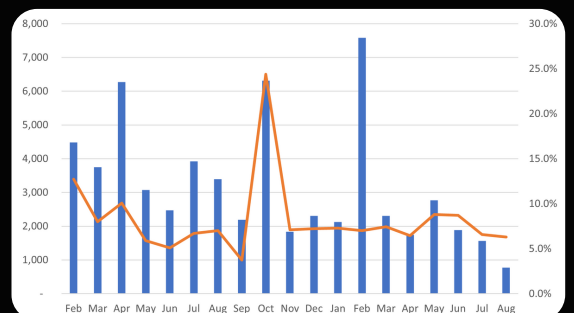

SEO

All on page SEO of your website and social channels. Plus we'll set up your Google My Business page and accounts, link these to your website and show you how to use them.

Training & Support

We'll train you in how to edit your website, emails, news, social media and SEO modules. Plus, we'll give you two days digital marketing training to ensure you get the most from your investment and monthly analytics reports.

Investment

One low upfront set-up fee
Then 24 monthly payments
