

HABITAT CLEANING GUIDE

for Small Furry Pets

DAILY

Scoop out wet & soiled bedding and replace with fresh.

Clean water bottles & food bowls and refill.

Remove feaces (except rabbit soft cecotropes).

WEEKLY

Change all of your pet's bedding once a week.

Give loose toys & furniture a weekly wipe down.

MONTHLY

Place your pet in a small pet carrier.

Empty the hutch or cage of everything.

Throw away all bedding, sawdust, hay, food & debris.

Clean contents and housing in warm soapy water.

Avoid products containing ammonia or bleach.

Thoroughly rinse everything with water after cleaning.

Once dry, replace contents and add fresh bedding.
