

How to build a Dog Den

Create a safe haven for your dog to retreat to during fireworks or other noisy events whatever your budget

1. You will need:

- Items to make a 3 or 4-sided comfortable 'den'
- A quiet spot in your house to place your den
- Blankets to cover the outside and line the inside
- Toys and/or treats to encourage your dog inside and help them relax

If your dog is struggling contact our Vets for advice

2. Then choose from:

Dog Crate Den

Whether your dog is crate trained or not, a dog crate can make the perfect den

Dog Bed Den

Place under a table and cover with a blanket or a doggy sleeping bag

Cardboard Box Den

Turn the box on its side and put your dog's bed or lots of blankets inside

'Fancy' Den

You can get a range of covered dog beds & indoor fabric kennels online for a fancy dog den

Makeshift Den

Use 2 chairs, a table, under the bed, or a basket - make a space for their bed & cover with blankets
